

David E. Medeiros Theatre Society Memorial Award Application

The David E. Medeiros Theatre Society Memorial Award is awarded in memory of David Medeiros, a 1999 graduate of Medfield High School. David lost his valiant battle with pancreatic cancer in 2002 while in his junior year at Tufts University.

The MHS Theatre Society with the support of David's family presents this award annually to that individual who exemplifies the outstanding qualities David demonstrated as an active member of the Theatre Society: leadership, dedication, selflessness, talent, citizenship, a positive spirit and support of others. Recipients must be lettered Society members in good standing.

The David E. Medeiros Theatre Society Memorial Award is supported by the annual student-directed Medfield After Dark production as well as by David's family.

Name _____

Years as a full member of MHS Theatre Society _____
